The Handmaid's Tale by Margaret Atwood.

Margaret Atwood considers a futuristic scenario where women are valued solely for their ability to reproduce. This haunting story explores a variety of moral dilemmas in a dystopian future. Atwood has written poetry and several other novels, including *Oryx and Crake*. She received the first Arthur C. Clarke Award for Science Fiction for *The Handmaid's Tale*. *The Handmaid's Tale* is currently featured as a series on Hulu.

**This novel will be featured in many sections of College Writing Seminar, and it can be purchased at many bookstores and online.**
